## A Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our hospitler at <http://wiesenfeuer.ansteorra.org>.

Welcome to Wiesenfeuer!!

## Message from the Baronesses

Thank You to everyone who came out to the Demo at Octoberfest! It was pretty good weather and it was a blast! Looking forward to cooler temps and the start up of the event season. Hope to see everyone at Popluace and at Namron's Protectorate in just a few weeks!

## Message from the Reeve:

Greetings to the Barony.

As of September 30th, the Barony has a total of \$5381.60 in its account, with \$5033.01 belonging to the Barony, \$262.32 belonging to the Canton of Haldtre, and \$86.27 belonging to the Canton of Myrgenfeld.

I will be running Gate at Wiesenfeuer Yule. We expect to have the new gate sheets before Yule, so I will be teaching several Gate classes during the Fall and Winter. I will offer a beginners gate class and an updated gate form class. There will be at least one offered in each area; Myrgenfeld, Haldtre, and the central Wiesenfeuer area. Everyone who wishes to sit gate will need to take a gate class. Populace with experience at gate will only need to take the updated gate form class.

We held Barional Shed Inventory at the end of September. Thank you to everyone who came out to help. Everything went great!

Officers - I need an updated inventory for each office by the end of October. If you need your inventory list from last year, please let me know.

YIS,

Aubrey Ericsdatter

## **Message from the Herald:**

This last month has been busy. We have had a lot of catching up on paperwork from April. There was a perfect storm of issues that all ended up in many emails between the barony and the college.

I've submitted a device and a badge this month. I've got 11 more waiting to be worked on. If you have info for a submission let me know. It wouldn't hurt to email this office with any information you have. Even if you sent it another way already.

A baronial OP document is almost ready to be put up on the website. Hopefully it will be there before you read this.

As always if you are interested in being a deputy for some or all parts of the herald office let me know.

Lord Donnán Ó Néill

Candelaio Pursuivant
