## A Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, wood-working, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our hospitaler at <http://wiesenfeuer.ansteorra.org>.

Welcome to  
Wiesen-  
feuer!

## **Message from the Archery Marshal**

Greetings,

There were no practices in January due to the stopped status and the weather.

Ld. Matteo continues to organize a Virtual Academy of the Bow. He has a group set up for it on Facebook with links to upcoming classes and videos of those that have already taken place.

When the barony is allowed to hold practices and the weather cooperates, archery practice it will be from 3 PM to 5 PM on Sundays, at 5102 Woodhollow Rd, OKC.

Targets will be set up for both regular target archery and combat target archery. As well as a Royal Round Shoot for those interested.

All practices will be following the guidelines of the Ansteorra Martial Practices Reopen Plan. There is an Ansteorra Health Screening Questionnaire that each individual will have to acknowledge. Everyone at practice will be wearing a face mask (covering the mouth and nose) and practicing the best social distancing practices. There is NO access to a restroom on site.

If you have any questions please feel free to email me at [Archery@Wiesenfeuer.Ansteorra.org](mailto:Archery@Wiesenfeuer.Ansteorra.org)

In Service,  
Isaac Bane

## **Message from the Deputy Arts and Sciences Minister**

In January we had two Open A&S, Jan 7th and 14th, the meetings that were attended by seven people each.

On January 21st there was a Herbal Guild meeting where we learned about Medieval poisons and antidotes. Six people participated in this meeting.

On January 28th, Virginia Moisant, taught a class on PowerPoint for Newbies. The class was recorded and is on Wiesenfeuer Arts & Sciences Facebook page along with the handout.

For February A&S the plan is, February 4th, The Great Book Sharing, bring a book that you have enjoyed, to share with others. On February 11th will be an Open A&S. On February 18th will be a Herbal Guild meeting where we will be talking about dry skin and how to treat it. The last Thursday of the month will be another Open A&S. All the Event will be posted on Wiesenfeuer Facebook page.

## During this time of forced deceleration...

The groves take on blossoms, beautifying the cities,  
gardens grow more fair, the world hastens —  
all these things make the hurrying heart mindful,  
the soul to its travels, to him who so imagines  
on the flood-ways, to travel far away.
